

CAMBIA UTAH MEMBER QUICK REFERENCE GUIDE

APPOINTMENTS

- Enrolled Cambia Health Solutions employees in Utah can be seen by our contracted providers, Dr. Brian Black and Dr. William Sundberg, and receive their Willamette Dental benefits
- All appointments are offered or coordinated by Dr. Black and Dr. Sundberg at Blackstone Dental, including specialty and dental emergency appointments
- 801-278-0458, www.blackstonedentalutah.com

OFFICE LOCATION

- The Salt Lake City office is located at 6710 Blackstone Road, Salt Lake City, UT 84121
- Hours: Mon-Thu 7am - 6pm, Fri 8am - 2pm
- Directions available on Blackstone Dental website, www.blackstonedentalutah.com

ORTHODONTIC SERVICES

- Patients must be seen by Dr. Black or Dr. Sundberg for a consultation to see if they are a candidate for orthodontic treatment
- If a candidate, Blackstone Dental will coordinate a referral to a local Salt Lake City orthodontist

OUT-OF-POCKET EXPENSE FAQs

- General office visit copay — \$15 due at each general office visit, including orthodontic and pediatric appointments
- Specialty office visit copay — \$30 copay is collected instead of the general office visit copay when patients see an endodontist, periodontist or oral surgeon. It does not apply to pediatric or orthodontic appointments
- Out-of-Area Emergency for pain, bleeding, swelling, etc. will reimburse up to \$100. Out-of-area is defined as 50+ miles away from Blackstone Dental office in Salt Lake City or any Willamette Dental office in Oregon, Washington or Idaho
- Patients can go to any Willamette Dental office (OR/WA/ID) regardless of home state and pay their plan copays
- Orthodontics — no age limit, \$150 pre-ortho is applied to full orthodontics copay if banded
- External referrals — coordinated external referrals have same copays as your Willamette Dental plan
- Fillings — amalgam fillings and composite fillings are covered with the general office visit copay

CLEANINGS

- Number of cleanings covered is based on individual needs of the patient as prescribed and can range from 1 – 4 per year depending on patient's oral health, risk factors, etc. Not limited to every 6 months/2 per year
