Willamette Dental

Orthodontic treatment for the *entire family*

As part of your Willamette Dental plan option, orthodontic treatment benefits are available for adults and children. With no waiting periods & a predictable, low copay, you and your family have access to affordable orthodontic care.

Willamette Dental Group, P.C., is committed to providing the quality care necessary for orthodontic treatment. Our licensed Orthodontists meet and maintain high credentialing standards and practice a proactive approach to dentistry, which means you will receive the most appropriate care based on your individual needs. In order to receive these benefits, all treatment must be provided by Willamette Dental providers.

In addition to standard braces, Willamette Dental offers Invisalign® treatment as an option for our patients at an additional cost. The suitability of Invisalign treatment for each patient is determined by their Willamette Dental orthodontist based on several factors including alignment goals, patient cooperation and current oral health.

With a one-time $1500 copayment plus your office visit copay at each visit, affordable orthodontic care is within reach!

Willamette Dental

Orthodontic treatment for the *entire family*

GETTING STARTED

Each patient must first receive an initial evaluation from a Willamette Dental general dentist to determine if the patient is a candidate for orthodontic treatment. Call 1.855.433.6825 to schedule this appointment.

After you receive a referral from a Willamette Dental general dentist, you'll schedule an appointment with a Willamette Dental orthodontist for your pre-orthodontic consultation.

This consultation includes an initial exam, as well as X-rays, study models and an extensive oral evaluation. The cost for this service is a total of $150. These non-refundable copays are credited toward the total copays if you proceed with orthodontia treatment.

For more information about our orthodontic services, call 1.855.433.6825 to speak to a Member Services representative.
